

20th October 2017

Dear Year 6 Parent/Carer

Year 6 Relationship and Sex Education

As part of the National Curriculum, we will be delivering the Relationship and Sex Education (RSE) programme for Year 6 next term. We will be showing DVD clips and teaching the children about the human lifecycle with a particular focus on what changes occur during male and female puberty (both physical and emotional) and how babies are made and born. Discussions and questions will be answered in class but the children will also be encouraged to talk to their parents about any matters that concern them.

If you would like to view the DVD clips we will be using in the lessons, please come along to 6 Mulberry classroom on Thursday 9th November at 6.00pm. Please indicate in your child's Homework Diary if you will be attending the screening so that we have an idea of numbers.

In the meantime, if you have any questions please speak to your child's Class Teacher.

Yours sincerely,

Miss Powell, Mr Burns, Mrs Anacleto and Miss McBride.
