

16 March 2018

Dear Parents and Carers

Year 5 Taster Days 2018

Hadlow Rural Community School would like to offer Year 5 students the exciting opportunity to visit our school on either:

- **Thursday 14th June**
- **Monday 25th June**
- **Tuesday 26th June**

This taster day will last from 9:00am – 2:00pm and will offer four lessons at the School giving students an opportunity to experience a cross section of our curriculum together with a chance to see our new building.

Students at Hadlow Rural Community School learn all the traditional subjects but also have the distinctive opportunity to take part in land based and sports studies taught by lecturers at Hadlow College. This is a fantastic opportunity for primary school students to discover more about the School and the unique experience we offer.

Students who wish to attend **must** fill in the attached form to secure a place and return it to the School Office by Tuesday 17th April 2018 at the latest. Telephone bookings cannot be taken. Please note there are only 20 spaces on each taster day available so we will operate on a first come first served basis.

Forms will be welcome via post or email to:

Hadlow Rural Community School
Tonbridge Road
Kent
TN11 0AU
contact@hrschool.org

Further correspondence will be sent to advise if you have a confirmed place by 23rd April 2018.

Yours sincerely

Mr Andrew Edwards
Deputy Headteacher
