<b>Q</b>	<b>How many children are there in each Reception Class?</b>
<b>A</b>	30
<b>Q</b>	<b>What times does school start?</b>
<b>A</b>	The gates open at 8.35am. Classroom doors open at 8.45am. Children must be in class by 8.55am. Gates are locked at 9.05am.
<b>Q</b>	<b>What do I do with my child on the first morning?</b>
<b>A</b>	The first day of school can be nerve-wracking for you and your child. You will need to drop your child at their classroom door. This will be shared with you at the Taster Sessions (see below).

<b>Q</b>	<b>What happens at drop-off time?</b>
<b>A</b>	Starting school is a big event and we understand how it feels for you and your child. Teachers and teaching assistants will be on hand to greet you and your child and to help you with the new routine.
<b>Q</b>	<b>What time does school finish on a normal day?</b>
<b>A</b>	Gates open at 3.05pm. Children are released from the classroom at 3.15pm. This will take a little while as children are handed over one-by-one. Gates are locked at 3.35pm.
<b>Q</b>	<b>What happens at pick up time?</b>
<b>A</b>	Reception children are dismissed one at a time from the classroom door. The children are only allowed to go out of the classroom once the class teacher or teaching assistant have seen the person responsible for collecting them. Please do not wave and call your child from the window. Please try to arrive on time, as children can get upset if they think you may not be picking them up.
<b>Q</b>	<b>What do I do if it is not the usual person collecting my child from school?</b>
<b>A</b>	Class teachers will have a note of people who regularly collect your child. However, if circumstances change and your child will be collected by someone else who is not listed on your form, please tell the class teacher when you bring your child into school in the morning. The class teacher will make a note of the arrangements and will dismiss your child to the person you tell us about. If there is unforeseen changes to usual pick up arrangements during the day, please telephone Acorn office (01732 355577) and the office staff will pass a message on to your child's class teacher.
<b>Q</b>	<b>Will my child do full school days from the start?</b>
<b>A</b>	No. Children do half day sessions at the start with a build up to full time. Full details of times for your child's school day will be available shortly.
<b>Q</b>	<b>What happens if my child is late for school?</b>
<b>A</b>	Once children start school full time the classroom doors are open at 8.45am. It can be quite upsetting for young children to arrive late and walk into the classroom when everyone else is already settled. If your child arrives after 8.55am, please walk with them to the Acorn office where you can sign them in. A member of Acorn office will then take them to class.
<b>Q</b>	<b>What do I do if I need to collect my child early or drop off late?</b>
<b>A</b>	If you know in advance, please inform your child's teacher at the classroom door or via email and also inform Acorn office. If you find out on the day that you need to collect your child early, please call Acorn office and they will pass on the message to the class teacher. You will need to sign your child out at Acorn office. If your child has a medical/dental appointment during school hours, we would be grateful if Acorn Office could take a copy of the letter for our records. Ideally, medical appointments should be made outside of school hours.
