Speaking and Listening in Year 1 - Term 4

Your child will only need to prepare one piece of 'Speaking and Listening' for each term.

Each colour group will be allocated a week when children will need to bring in something to share that is topic related. This term our topic is **Castles**. Children can think about castles they have visited and share information about them. They might like to design their own castle, thinking about the features of a castle or make a book about castles. They could also think about knights and princesses and discuss what makes a good knight/princess.

Please ensure that your child is ready with their speaking and listening at the beginning of the week. They will have the opportunity to share it with their class during the week. We will start speaking and listening in Term 4 the week commencing Monday 1st March.
