

Reception - What we are learning this week

- **Literacy** – We will be making our own non-fiction class book inspired by our work on The Snail and the Whale. The children will be learning facts all about whales and deciding how to present them.
- **Communication and Language** – We will be looking for the children to develop their vocabulary related to non-fiction texts such as size, weight, habitat, diet etc.
- **Phonics** - We will be using our phonics to help us write simple sentences all about our whale facts. Another focus we will be looking at is a selection of red words and high frequency words and encouraging the children to read and write them.
- **Maths** – We are learning about number bonds to 10. We will be exploring these through playing different games and the vocabulary associated with it such as more, less, fewer, how many etc.
- **Expressive arts and design** – We will be doing some crafts related to Easter.
- **PE** – On your child's PE day, children need to come to school wearing their PE kit.
 - Monday – Silver Birch Class
 - Tuesday – Ash Class
 - Thursday – Maple Class

Please talk about the activities we do in class with your child. WB 29.03.2021
