

Sophie

Dear Roald Dahl's Marvellous Children's Charity,

Woodlands Primary School enthusiastically took part in the centenary day of Roald Dahl. We all had fun and learnt many brain-whizzing facts. We hope that the money we raised will secure poorly children with new, clean books. We all love reading and we understand that the children in hospital don't get that opportunity as often as we do so we are glad to have you helped.

For Roald Dahl's birthday we celebrated by dressing up into some of the characters from his books. There were - borrowing BFG's, Mind bragging Matildas, wonder-fizzing witches and lots more.

It was so much fun and we hope the sick children find it as fun to read the books. We're also proud that we raised, as a school, £415.56 for them.

From Hannah and Holly from
Woodlands Primary School
