

Our theme for Term 6 is The Enchanted Woods.

This is our What we are Learning for week beginning 7th June 2021.

- **Literacy** – We will be looking at the book Foggy, Foggy Forest by Nick Sharratt. It will be a lovely introduction to our theme for this term and the children will be making up their own stories about an enchanted wood and writing sentences to tell us all about them.
- **Communication and Language** – We will be going into the woods and exploring the vocabulary related to our theme this term. What can they find? What does it feel like? Does it smell? Why is it there? What can you hear?
- **Phonics** – All classes will be reinforcing sounds, segmenting and blending words in addition to practising their writing.
- **Maths** – This week we will be recapping addition and subtraction. The children will be using manipulatives to help them and recording number sentences. We will be looking at counting on from the greatest number e.g., Add 2 and 5. Put 5 in your head and count on 2.
- **Expressive arts and design** – Using our book for the week as our stimulus, the children will be looking at silhouettes and exploring shadow puppets. They will be using them to create their own stories.
- **PSED** – Our theme for this term is Changing Me. This week the children will be naming different body parts such as ear, elbow, tongue and knee. They will be talking about what these body parts do and how we use them.

Please talk about the activities we do in class with your child. WB 07.06.2021
