## Speaking and Listening – Term 2

Your child will only need to prepare one piece of 'Speaking and Listening' for this term.

Each colour group will be allocated a week when children will need to bring in a short presentation about a piece of art. The picture should be attached to this letter. If you are reading this on the website, or your child doesn't like the picture they have been allocated please feel free to go 'off piste' and select your own picture to investigate.

The children will need to prepare a short presentation (3 to 5 mins) about 'their' picture. They might like to include who it is by, when and where the artist lived, who or what the subject is, where the picture is set and/or any fun facts about the artist or painting. Alternatively they might like to recreate the picture themselves using paint, photographs, felt tip pens, chalk or another medium. Can they tell us what they did to produce their own masterpiece? By the end of term we hope to have learned something about thirty famous paintings and a variety of different artists.

Please ensure that your child is ready with their presentation on the relevant Monday morning. They will have the opportunity to share it with their class during the week.

W/c - 8/11/21	Blue Group presentations
W/c - 15/11/21	Red Group presentations
W/c - 22/11/21	Green Group presentations
W/c - 29/11/21	Yellow Group presentations
W/c - 6/12/21	Purple Group presentations

Many thanks,

The Year Two Team
