Speaking and Listening – Term 3

Thank you for all your help and encouragement with Speaking and Listening. Your child will once again only need to prepare one piece of Speaking and Listening for this term.

Each colour group will be allocated a week when children will need to bring in a short presentation about 'The Great Fire of London'. They might want to include one of the following; telling us about what the Great Fire of London was/ when it happened/ where it started/ how long it lasted/ how it was put out, researching about Samuel Pepys/ who he was/ what he did that helped us learn about the Great Fire of London, finding out about who the King was in 1666, telling us who Thomas Farriner was and the part he played in the fire, researching what life was like in 1666 or something else as a surprise, maybe a model!

Please ensure that your child is ready with their presentation on the relevant Monday morning. They will have the opportunity to share it with their class during the week.

W/c – 09/01/20	Green Group presentations
W/c - 16/01/20	Yellow Group presentations
W/c - 23/01/20	Purple Group presentations
