Secondary Common Application Forms

- Parents are invited to express four preferences in priority order. Putting down one school only will not improve the chance of getting a place.
- SCAFs should be submitted online only.

Useful Background

- A significant number of Kent's grammar schools are their own admission authority and set their own oversubscription criteria, which can change year on year. By now each school will have its determined admission arrangements for 2024 available.
- Transport assistance to grammar schools and faith schools is discretionary, not automatic. Transport arrangements will be set out in the "Admission to Secondary School 2023" booklet.

Place Allocation

- The Local Authority operates an 'Equal Preference' scheme. This means that secondary schools do not know if they are your first, second, third or fourth choice.
- The order in which you place schools only matters if you are given more than one offer – if this is the case, priority will be given according to your SCAF priority choice.
- It is important you are aware of the 'over-subscription criteria' that schools use when allocating places. Please refer to your Secondary Admissions booklets for guidance.
