**Newsletter No. 01**

We've had a fantastic return to school. We have welcomed a number of new staff to the fold and they are settling in well, alongside a number of new pupils. Welcome to you all. One such member of staff is our new Assistant Headteacher, Mrs Adams. Please do say hello when you meet her on the gate.

During the holidays, I received the great news that Woodlands has been successful in gaining the Eco-Schools Green Flag accreditation. Well done to Mrs Brown and her Eco Council for making sure Woodlands is a place where we consider our environments and actions we can take to protect our planet. Eco-Schools feedback: 'Everyone at Woodlands Primary School should be proud of the Green Team and the amazing and inspiring work that they've delivered this year. You're more than worthy of an Eco-Schools Green Flag. Congratulations!'

This week Year 3 had a visit from rock expert, Mr Berry! He taught the children all about how rocks are made, why they are so important and what they tell us about life on our planet. They investigated lots of rocks and fossils and did some fun experiments including replicating volcanoes! Thank you Mr Berry for visiting Woodlands again this year. Year 3 can't wait to see you again at Horton Kirby for their river visit.

Key Stage 1 are really looking forward to celebrating Harvest with Reverend Kirsty at the Methodist Church on Monday 2<sup>nd</sup> October. If you are able to help walk the children to and from the church, please let your child's class teacher know. The Methodist Church hosts a community larder called Feast – any donations of tins of food would be gratefully received on the day to help others in our area. Thank you.

Year Two are very excited to be visiting the Methodist Church on the morning of Monday 25<sup>th</sup> September as part of their RE topic about 'Sacred Places'. If you are able to walk the children to and from the church, we would be very grateful for your help. Please let your child's class teacher know. Thank you.

Also coming up.....Michael Rosen!! He will be visiting in two weeks to meet the children and share his writing secrets. We can't wait!

We hope you have managed to attend the parent information meetings this week or plan to go next week. Apart from being an opportunity for sharing key information pertinent to the year group and to meet the team, the main message of the talks is: Let's work together to support our children in the best way we can.

I hope you have a good weekend. See you on the other side!
