

WOODWIND INSTRUMENT LESSONS

At Woodlands we are fortunate to have our fabulous woodwind teacher, Nicky Catterwell. Nicky will have several vacancies in September, as her current pupils are in year 6.

Nicky teaches recorder, flute and clarinet. The recorder is a great instrument to begin on before moving onto the clarinet or flute.

Nicky treated us to a concert earlier in the year, and the children really enjoyed hearing the different instruments on offer.

If you would like your child to have instrumental lessons, but you aren't sure which instrument is right for them, why don't you contact Nicky and ask about a trial lesson?

Email n.catterwell@hotmail.co.uk

Nicky also teaches beginner brass on trumpet and cornet.
