Speaking and Listening – Term 5

Wow – the Great Fire of London presentations from last term were amazing! We loved all the creative ways that the children found to share their information with us. Thank you for all your support and encouragement with this.

Your child will once again only need to prepare one piece of 'Speaking and Listening' for this term. Each colour group will be allocated a week when children will need to bring in a short presentation about **The Seaside**. They might want to include one of the following: seaside locations, seaside creatures, traditional seaside activities, traditional seaside food, memories of holidays or something else as a surprise. Children are welcome to make models, draw pictures, provide a power point (please email to your class teacher) or bring artefacts.

Please ensure that your child is ready with their presentation on the relevant Monday morning (or Tuesday for Red Group). They will have the opportunity to share their presentation with their class during the week.

W/c - 15/04/24	Yellow Group presentations
W/c - 22/04/24	Purple Group presentations
W/c - 29/04/24	Blue Group presentations
W/c - 6/05/24	Red Group presentations
W/c - 13/05/24	Green Group presentations

Thank you for encouraging your child with this. We are really looking forward to another term of fantastic facts and ideas.
